

Northland Chapter ACSM 42nd Annual Meeting: “Transforming Your Community Towards Better Health”

Dr. NiCole Keith, PhD, FACSM

*Professor, Department of Kinesiology & Research Scientist, IU
Center for Aging Research Indiana University- Purdue University*

Dr. Daheia Barr-Anderson, PhD, MSPH, FACSM

*Assistant Professor, School of Kinesiology & Director, Behavioral
Physical Activity Lab University of Minnesota*

October 12th and 13th, 2017
Minnesota State University, Mankato
Centennial Student Union

Join us for an engaging conference about how you can transform the health of your community through physical activity and exercise. The conference will feature presentations, an exhibit hall, TRANSFORMATIONTalks, and the Student Quiz Bowl. We look forward to welcoming students of all levels, professionals and our new affiliate organization Clinical Exercise Physiology Association, CEPA. Registration opens September 1st, 2017.
